A New Back For an Old One. How It Can Be Done in Keytesville.

The back aches at times with a dull, indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Keytesville residents would do well to profit by the following example.

Mrs. J. Wagner, 102 Boston St., Carrollton, Mo., says: "I was bothered with kidney and bladder complaint for two or three years and my suffering was intense and hard to bear. My back was weak and lame and the pains across my hips and kidneys were acute. The kidney secretions were unnatural and my limbs and feet became swollen. I finally commenced using Dean's Kidney Pills and in a short time, I got relief."
